

The 4th First Announce
Asia ABS Academic Forum Symposium
Date: 23 July 2026
Venue: Tokyo, Japan

AAAF Missions

- **Promote the implementation of Access and Benefit-Sharing (ABS)**
- **Promote international research and development of genetic resources**
- **Promote bioeconomic innovation utilizing biodiversity**

ABS specialists from across Asia - including Thailand, South Korea, Malaysia, Indonesia, Cambodia, Bhutan, Vietnam and others — will gather in Tokyo to discuss national ABS procedures, share their best practices, and explore new collaborative initiatives.
